Attacking STAAR Writing, Grades 3-7

Learn How the STAAR Rubric Guides Instruction

Are you concerned about your students' writing ability? Are they meeting the targets set by the state? These two-day sessions are designed to deepen instructional coaches' and teachers' understanding of the requirements stated in the TEA STAAR rubrics and apply this to their classrooms. You will leave with a strong foundation to take your students to the next level in their writing.

Science STAAR Readiness K-12

Join us for a day of analyzing STAAR data and released STAAR assessments. The morning will consist of reflecting over the trends of the previous two years. The afternoon will be broken up into grade bands, where teachers will examine how to use the STAAR assessment to inform instruction. Participants are encouraged to bring district/campus STAAR data.
